RE: Electric Competition Advisory Group, Docket No. E-00000A-02-0051 et al.

Dear Track A participant or interested party:

In Decision No. 65154 (Track A), the Commission ordered that an Electric Competition Advisory Group be formed. The purpose of the Advisory Group is to facilitate communication and information sharing among Staff, stakeholders, and market participants relating to events in the wholesale and retail marketplace and impediments to competition.

Participation in the Advisory Group is not limited to participants in the Track A proceeding. If you or a member of your organization would like to participate in the Advisory Group, please send the name of your organization, contact person(s), physical address, and e-mail address to rpasula@cc.state.az.us.

Once a list of participants is compiled we will notify the group via e-mail when the first meeting will be scheduled. If you have any questions you can contact Erinn Andreassen of Staff at 602-542-0748.

Thank you,
